Keep Vehicle Doors Locked

As the weather continues to warm and more residents park their vehicles in their driveway or on the street, please remember to keep your vehicle doors locked and your windows rolled-up.

Residents are encouraged to keep valuables and medication out of vehicles. A theft from an unlocked vehicle only takes seconds. To report suspicious behavior, please contact the Goddard Police Department by dialing 911.

Keep Our Parks Clean Clean Up After Your Dog

Dog poop is a major contributor to stormwater pollution. Rain and melting snow flows across yards, parks, and trails on its way to creeks via our streets and storm drains. Dog poop contains bacteria and is high in nitrogen and phosphorus (nutrients that negatively affect our waters).

The City of Goddard conveniently provides dog poop clean-up bags and waste receptacles in our parks. Please help us keep our community beautiful!
