Construction Begins at Linear Park!

A New Splash Pad and Pavilion is Coming Soon!

Construction has begun on a new splash pad and pavilion located at Linear Park. The new state-of-the-art splash pad and three-season pavilion will make a wonderful addition to our vibrant park system for years to come!

The construction of the splash pad and the pavilion will occur concurrently. Both the playground equipment and a portion of the Prairie Sunset Trail located at Linear Park will be closed for the duration of the project. Barring inclement weather or other unforeseen circumstances, we anticipate substantial completion of the project by the end of January 2018.
